INTRODUCTION

We are so excited your child is joining Roots Academy Summer camp! Roots Academy provides a summer camp program for children ages 4-11 where they can play, learn, and have fun in a positive and safe environment. We provide opportunities for campers to grow socially, mentally, and physically in a well-rounded atmosphere.

This manual has been prepared to give you the knowledge and understand the goals and expectations of Roots Academy Summer Camp. We expect all parents/caregivers/guardians to read this before the first day of camp so that you know the standards and practices at Roots Academy. It will also help you understand the goals and philosophy behind the summer day camp program, your role, and the conditions for child participating in the program.

OBJECTIVE

We want everyone who comes to Roots Academy for summer camp to have an awesome and fun experience. When attending camp, we expect that all participants will always demonstrate care, respect, and responsibility while with us. In addition, we expect participants to exhibit self-control, be kind to others, and follow simple instructions.

SUMMER CAMP RULES

1. **Be Caring.** Being caring means that you will be kind to others, be a good friend, and use supplies and other materials wisely.
2. **Respect Others.** To show respect you must be kind and polite to others. You should also pay attention to others as well as yourself.
3. **Take Responsibility.** Taking responsibility means that you do what you are supposed to do, when you are supposed to do it, the way you are supposed to do it, and if you do something wrong you try to make it right.
4. **Have fun!** We hope students actively participate and enjoy all activities we offer. We want people to have a camp spirit and positive attitude.

STANDARD EXPECTATIONS

BEHAVIOR

Roots Academy Aftercare expects participants to respect others and their space, harmoniously participate in games, cooperate with staff, and be enthusiastic. We expect that participants will always demonstrate care, respect, and responsibility while with us. We also expect participants to exhibit self-control, be nice to others, and follow simple instructions.

Unacceptable behaviors include profanity; disrespecting others and their space; failure to comply with a staff member or counselor's directions; excessive horseplay; inappropriate or violent physical contact; lying; stealing; bullying or harassment; destroying property; or possession/use of a weapon.

Removal from the program is a possibility depending on the severity and continuation of the behavior or action. Participants who are unable to follow our rules may be asked not to continue their session or not to return in the future and refunds will not be provided.

Counselors and staff may report incidents of unacceptable behavior to the parents/guardians of all children involved and reserve the right to release a child for unacceptable behavior. Roots Academy utilizes the same pink/white slip protocols that are used during the camp day for behavior infractions.

Behavioral guidance conducted by Counselors will be constructive in nature and intended to redirect children to appropriate behavior through conflict resolution. Counselors shall interact with the child and one another to provide needed comfort, support, and a sense of well-being.

The following actions are forbidden: Physical punishment; striking a child; roughly handling or shaking a child; restricting movement through binding or tying; forcing a child to assume an uncomfortable position; exercise as punishment; punishment conducted by another child; the withholding or forcing of food or rest; verbal remarks which are demeaning to the child; punishment for toileting accidents; and punishment by the application of unpleasant or harmful substances.

USE OF ELECTRONICS

Children may bring their electronic device strictly to do schoolwork, play educational games, or read books. YouTube and other platforms to watch videos will not be allowed. At any time, a teacher may deem it necessary to put away devices and all rules must be followed regarding use. Children may not share device with others. They must sit and use their own device for their own educational study time.

CARING FOR OUR FACILITY

At Roots Academy, we expect everyone to be good citizens and pick up after themselves. This includes picking up trash after snacks and meals, and properly putting it in the trash. We ask that caregivers help reinforce this to help keep our facilities clean, tidy, and safe.

PROGRAM ELIGIBILITY AND COST

To be accepted and have your child start his or her first day at Camp, all application forms, registration fees, and signed policy agreements should be submitted prior to your child's confirmed attendance.

A non-refundable registration fee of \$50 per student is required at the time of registration to reserve space each student. If enrolling more than one student, a 10% discount for the second and subsequent students will be granted.

For information regarding tuition costs for Summer Camp, please reach out to the Director or refer to the Roots Academy website.

Summer camp tuition is due the Friday before your camper starts each week. If payment is not received prior to the start of camp, your child may not join the camp program until the tuition payment is paid and processed in full.

SAFETY

CHILD ABUSE

All Roots Academy staff members are mandated reporters and required by law to report incidents where there is a reasonable suspicion that abuse or neglect has occurred, or there is a substantial risk that abuse or neglect may occur, either in the care of a Roots Academy program or outside of it. These will be reported via the Florida Abuse Hotline. Records of reported cases of suspected child abuse or neglect will be kept confidential.

SAFETY PROCEDURES

The most important responsibility of all recreation staff is the safety of campers. Roots Academy has extensive safety standards and practices to maintain a safe environment and camp. Staff are responsible to always know the whereabouts of campers, both onsite, during water play, or field trip.

Unauthorized persons are not permitted to visit the camp site during camp hours and will be asked to leave. While we have an open-door policy, when parents/guardians wish to visit, they must first check in at the main office and be escorted by a staff member, unless the activity has been advertised as a time for visitation by parents/guardians. If you wish to accompany your child at any time during his or her day, please notify the Director.

MEDICATION

At this time, Roots Academy cannot administer medication during operations (except for Epi Pens) which will be properly stored and administered in case of emergency by staff that are trained. If your child needs medication during camp, an authorized parent or caregiver may come onsite to administer medication. Parents/Guardians must communicate with the staff if they are administering medication before or during camp to the child.

EMERGENCY COMMUNICATION

During any unforeseen crisis, such as natural disaster, threat or similar events, Summer Camp will cease regular activities and will evacuate the premises if necessary. Parents will be contacted if the children are to be released early from the program. We will notify the proper authorities in the event of any emergency. The school emergency preparedness plan is available for your review. If you would like to see it, please ask the Director.

RATIOS

Roots Academy follows Florida and St. Johns County Statutes and will not exceed a staff-to-child ratio of 25:1 (this is the standard for ages 5 and older). Our goal is to exceed this standard by having additional staff support in After Care whenever possible to provide the highest quality care. Please contact the Director for more details.

MEDICAL RECORDS

All children who attend Roots Academy Aftercare must have current immunization and relevant medical records on file with the Academy.
